INFORMATION DISCLOSURE
STATEMENT UNDER 37 CFR §1.97 and
§1.98

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The references cited on attached forms PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. In accordance with the USPTO's decision to waive the requirement under 37 CFR 1.98 (a)(2)(i) for submitting U.S. published applications and patents in applications filed after June 30, 2003, applicant has not submitted copies of U.S. patent references.

Particular attention is called to references BB-BC. Both references were cited on the face of U.S. Patent 6,656,207 B2 (issued December 2, 2003), of which this application is a Continuation-in-Part. However, neither reference is accessible at this time. Should they become

available to us in the future, we will forward them to the Examiner's attention at our earliest opportunity.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

Nena Bains
